Liebe Group in 2023

Crop Updates

Held annually in early March, the Crop Updates is designed to assist in preparations for the upcoming season, highlighting the latest research, technology, market development and business management innovations.

Women's Field Day

Held annually in mid June, this day is aimed at increasing the management capacity of women to build a sustainable future for their family, farm business and the agricultural industry.

Post Seeding Field Walk

Held annually in late July, this members-only field walk provides a comprehensive overview of the trials conducted on the Liebe Group Main Trial Site including trial research progress and predictions.

Spring Field Day

Held annually in early September, this interactive field day showcases the latest local research and development, which has been co-ordinated on one convenient location at the Liebe Group Main Trial Site. The 2022 Main Trial Site will be located at the Reynold's Property at Miling.
